Sir:

TECHNOLOGY CENTER R3700

In accordance with the continuing duty under 37 C.F.R. §1.56 to disclose to the United States Patent and Trademark Office any information that may be material to patentability of the above-identified invention, the Applicants hereby submit an Information Disclosure Statement listing references presently known to the Applicants relating to the above-identified application. A copy of each reference is also included.

Applicants received an Office Communication from the European Patent Office dated 08 October 2002 including new art of which Applicants were previously unaware as it was applied to a foreign counterpart application, EP 01 900 680.8-2307. A copy of the Office Communication is also enclosed.

Applicants hereby declare that each item of information contained in the Information Disclosure Statement was cited in a communication received from a foreign patent office in a counterpart foreign application not more than three (3) months prior to the filing of this Information Disclosure Statement.

The submission of this information shall not be deemed an admission that this information is necessarily material to the patentability of the above-identified invention.

Applicants believe that no fees are due in connection with the filing of this Information Disclosure Statement as it is being filed before the mailing of final Office Action, Notice of Allowance, or an action that otherwise closes the prosecution in the application. However, in the event that any fees are deemed to be payable, please charge such fees to Deposit Account 20-1507.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents
Washington, D.C. 20231, on 19 December 2002
